pierre andre

The House Pierre ANDRE was established in 1923 through the actual passion of its founder, Mr Pierre ANDRE for both the vines and the Fine Wines. When Pierre ANDRE bought the Château de Corton in 1927 the latter was renamed “Château de Corton-ANDRE” as the very headquarter of the young House’s activities.

The Pierre ANDRE terroirs stretches over 130 acres, of which 80% are Premiers Crus and Grands Crus. The overall Pierre ANDRE vinification has always been exclusively reserved to the traditional clientele. Fine Specialist Stores and famous Hotels-Restaurants are provided with the Pierre ANDRE fine wines.
