2004 Sineann Pinot Noir
Resonance Vineyard

This biodynamically farmed vineyard delivers stunning, elegant, textured Pinot. Layer upon layer upon layer develops in the mouth, from the ripe strawberry/cherry fruit, masterfully speckled with toast, espresso and cola notes. The mouthfeel is silky and supple, and this lovely wine lives up to its name with an innate resonance that lingers gracefully in the mouth. — P.G. (5/1/2006)
